Hi Norm,

Here is a list of the squad of Charlie Company Builders on Hill 55, Detail Buford. We were there from April to September 1970.

George R. Lucas BU3
Louis R Malerba CN
Joseph A. Mazza BUCN
Floyd McKamey BU2 (squad leader)
Wayne L. McClane BU3
Ronald A. Osborne BU3/BU2
Don P. Rolls BUCN
Bruce E. Steriz BUCN

Nelson M. Hyler July 3, 1970 (Mike)

Mike was actually the newest member of the squad when he died, he had been with us about 3 weeks.

All these names are in the 1970 cruise book on pages 130, 131 and 132.

The bridge we built on LTL-4 can be seen on the top right of page 46.

I hope I did not miss anyone.

Thanks, Don
