### Commanding Officer CDR Ole L. Olsen

CDR Ole L. Olsen

My tour as your Commanding Officer has passed all too quickly. Since becoming Skipper of the Mighty Minutemen in July 1980, I have viewed accomplishments some thought unattainable. The construction of a 5,000 person refugee center at Fort Allen, Puerto Rico in 30 days was almost unbelievable-but you did it. The completion of Seabee construction on Diego Garcia, consolidation of the camp and retrograde of equipment and materials in such a short period of time was incredible-but again, the "CAN DO" Minutemen did it.

You men of Superlative Sixty-Two have demonstrated continually that you are ready. You have what it takes and have demonstrated your ability to truly Build-Fight, Anywhere-Anytime. The Seabee heritage is in good hands.

You all have been an inspiration to me. I am honored to have been given the privilege of being your "Old Man". Thanks for your tremendous support. I'll miss you. Good luck to you all and God's speed."

'Santa' Olsen

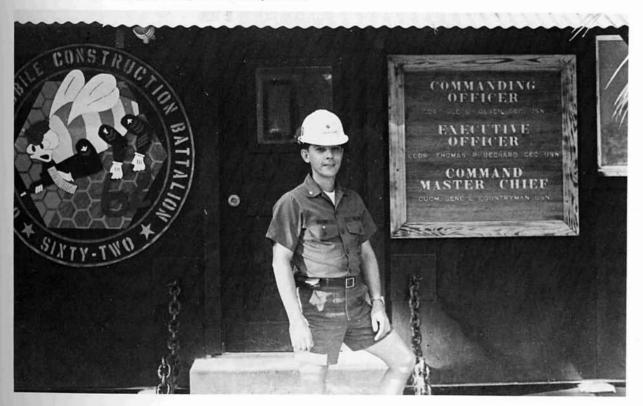

LCDR Thomas P. Bechard

# Executive Officer LCDR Thomas P. Bechard

I joined the Mighty Minutemen on 10 July 1982. From the onset, it has been my privilege to witness first hand the pride and professionalism of Superlative Sixty-Two. The "CAN DO" spirit with which each of you have tackled the many and difficult assignments during the Diego Garcia deployment, the good order and discipline that prevailed on and off the job sites, and the many jobs accomplished safely and on time are indeed a credit to each and every member of the battalion. Well done.

The X.O. gets ready to tour the job sites.

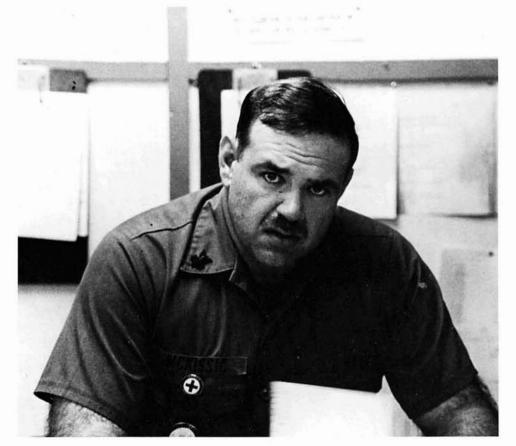

### Command Master Chief Countryman

Now that the Diego Garcia deployment has ended we have reached another significant point in our Battalion history of which each and every man can be extremely proud. During the deployment every rating has been faced with a variety of professional ability. You overcame these challenges with pride and enthusiasm that directly contributed to this highly successful deployment.

Your significant achievements on Diego Garcia have been a result of long hours of planning and training during homeport and close team work by all companies and departments during the deployment. I would like to take this opportunity to personally thank each member of the Battalion for his contribution, and also those families and friends that have so graciously supported us.

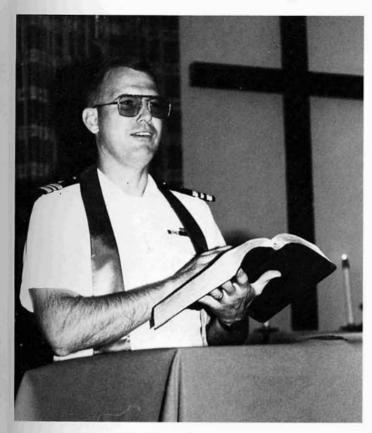

CMC Gene L. Countryman

SW1 Carl McKissic, Command Career Counselor.

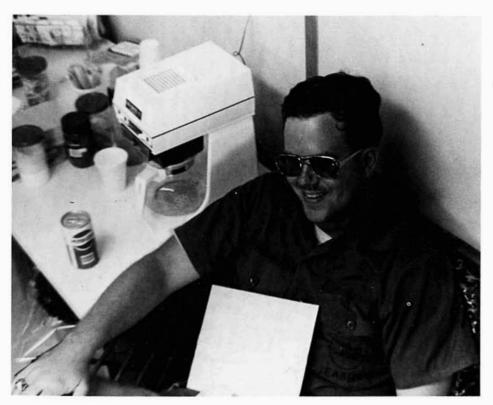

#### Chaplain Gary Tugan

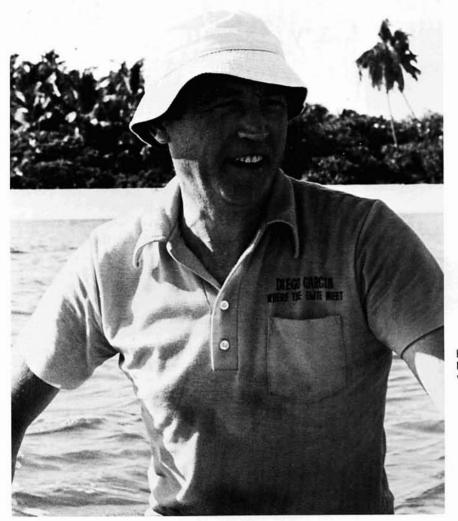

Chaplain Tugan gives a sermon.

The deployment to Diego Garcia was tough. Some say the toughest. Nevertheless, NMCB-62 completed her assigned tasking with flare because we thought 'CAN DO'. As long as there are Seabees there will be deployments, and there will be family separations. However, if we continue to see life's challenges as "stepping stones" to greater achievement, rather than as "stumbling blocks" to our hopes and desires, we will continue to achieve through a CAN DO spirit. Centuries ago Saint Paul wrote, "I CAN DO all things through Christ who strengthens me." You CAN DO too!

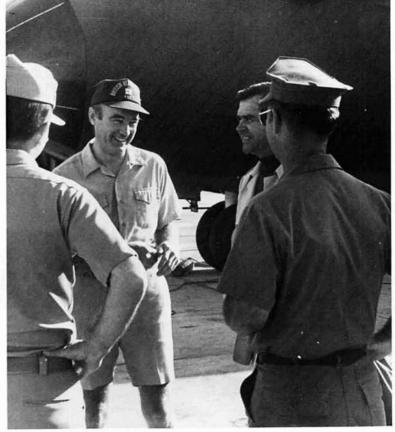

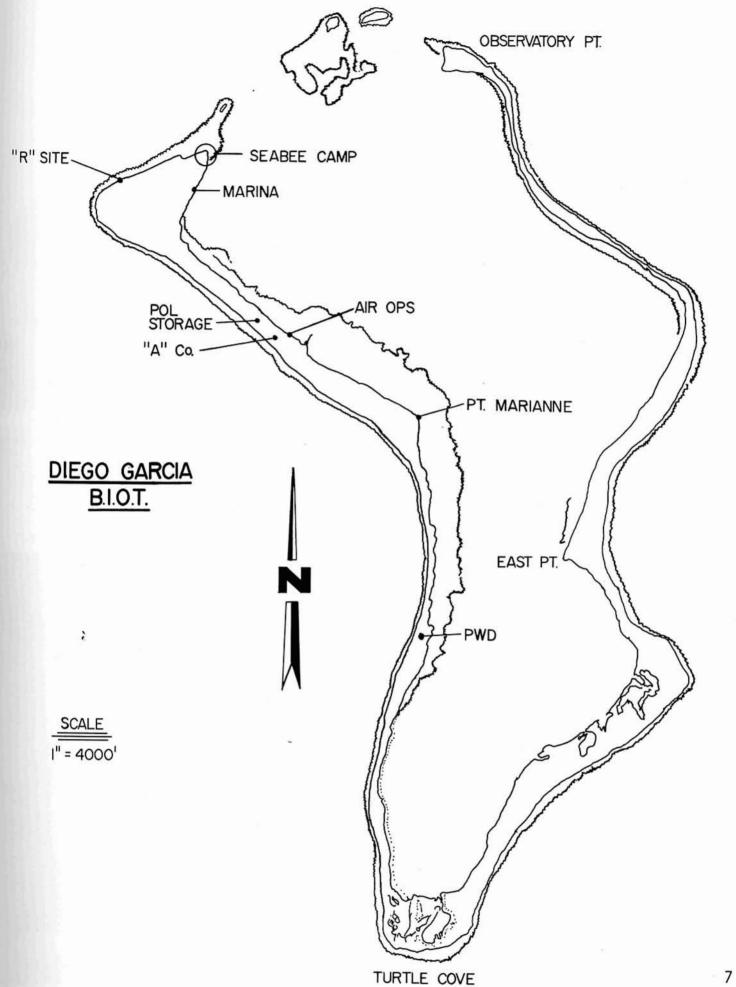

### British Representative Nigel Wells

British Representative Nigel Wells carried out Her Majesty's wishes on Diego Garcia for about two years. Best wishes from the Minutemen.

## Military Training For The Minutemen On Diego

As always, Military Training is emphasized because we may some day be called on to protect what is ours. This year's exercise on Diego Garcia was observed by Chief of Naval Operations designate ADM James Watkins. In the photo below, he discussed strategy with the Naval Station brass.

To the right is an example of the effective firepower of the Seabees.
