01 Apr 2008

I never got the chance to meet my grandpa. He passed away before I was even born. I heard stories about him growing up, and my brother and I were always fascinated with the flag that my dad had folded up from his funeral.

I would love to learn more about him and all of the things he was able to accomplish before he passed away.

Even though I never met him, I'm proud to call him my grandpa!

From his granddaughter,

Leah Marx
